EXECUTIVE BOARD MEETING:

No information available for this meeting

BUSINESS MEETING:

\*\*Neil Ogg presented resolutions to the business meeting.  
\*\*Jim Harron, Neil Ogg, Jim Haskins, and Alex Hawkins were asked to develop a model for termiticide treatment guidelines. This was a request originally from a SFIREG group.  
\*\*ASPCRO Vice President will be charged with sending resolutions to the appropriate agencies and parties, and then track or follow-up on any recommended actions.  
\*\*Next meeting will be held in Reno, Nevada  
\*\*Harvey Dominick asked the group to consider holding the meeting in Illinois in 1990.

RESOLUTIONS:

1. ASPCRO supports SFIREG in their meetings to address standardization of termiticide labels.
2. ASPCRO requests all registrants of termiticides to develop data consistent with previous studies by US Forest Service which will show the expected termiticide residues in the soil thirty days after a label rate application and one year post application.
3. ASPCRO encourages EPA, prior to a cancellation, suspension, or agreement process to give specific instructions in disposal, storage, or continued use of these products (I.e. chlordane, heptachlor, etc.).
4. Recognition to sponsors and host.
