Committee members: Grant Bishop (West Virginia), Kathy Boyle (California), Jay  
Kelly (Indiana), Derrick Lastinger (Georgia)

The ASPCRO communications committee submits the following report for the 2012  
Annual meeting.

Following up on the plan adopted at the Mid-year Board meeting, Vicki Cassens  
along with other NPIRS staff members, Conni Vianco and Peggy Hoover, have  
completed the new ASPCRO website. The Content Management Software (CMS)  
Drupal was used to develop the new website. Vicki is planning to transition to the  
new website which is located on a server outside of Purdue University prior to the  
annual meeting. She will send a message when the move is completed.

Jay Kelley of the Office of the Indiana State Chemist met with Vicki on August 14 in  
order that she could show him some initial basics of Drupal. Jay is planning to  
share what he learned with other committee members that are interested in  
developing committee web pages.

Vicki will be calling into the Board of Directors meeting on Sunday to show the new  
website and to discuss some of the new features that will be available to the  
association.
