

Investigator Training Committee (ITC)

Annual Report

July 7, 2013

Committee Members:

George Saxton, Chair
Grant Bishop
Vince Craig
Jay Kelley
Derrick Lastinger
Mike Page
Bonnie Rabe
John Scott
Mike Weyman
Josh Wiley
Jim Wright

The ITC is currently in negotiations with Washington Department of Agriculture and the Washington Cooperative Extension Service regarding the hosting of a structural PIRT March 31st through April 4th. It is my understanding funds have been secured. The Washington hosts are currently looking at the PIRT training topics and considering local instructors. The ITC is conducting conference calls with its members to determine who will be available for those training dates.

For the committee:

George N. Saxton, Chair
