Subject: **TLRC report**

Juan,

Since the mid-year meeting, the TLRC has not be asked to review any new or existing termiticide product. Therefore, there is no report to make on that front. However, the TLRC would like to say that it has been reviewing the draft termiticide standard being developed by the Termiticide Standards Committee and plans to formally present comments on behalf of the TLRC.

Davis H. Daiker

Chair- Termiticide Label Review Committee
