

## **State Meeting Assistance Committee (SMAC) – Jay Kelley (IN)**

- ASPCRO sponsored one (1) SMAC training in Florida. On December 4, 2009, The Florida Department of Agriculture, the Certified Pest Control Operators Association of Florida (CPCO), and ASPCRO partnered to sponsor an educational training program in Spanish.
- Two requests from SLA's for SMAC documents to sponsor a program.
- One request for information to use SMAC for a program in 2011.
- New Mexico has forwarded their intent to use SMAC for programs in October 2010.
- Template for SMAC brochure that states could use to announce training and for registration still in process of being created. Difficulty lies in making one general document for all to use.
- ASPCRO at Mid-year meeting agreed to grant SMAC assistance to various groups based on a case-by-case basis.
