

**ASPCRO TPSA Liaison
2015 Annual Liaison Report
August 23, 2015**

The Pesticide Stewardship Alliance (TPSA) is a collaborative partnership of government agencies - federal, state and local, educational and research institutions, public organizations, private corporations and individuals actively involved in stewarding the pesticide life cycle. Founded in 2000, TPSA utilizes education, training, outreach and other activities to accomplish stewardship objectives in local, national and international arenas.
