2. Old Business:

a. White paper on pesticides and children

Reviewed current draft of paper. Edits will be made as suggested. Allison will also give an example of how the paper can be utilized using Texas local regulation. The paper will be sent via email to be discussed at the next meeting.

b. Survey

Reviewed survey with committee. Suggestion were made. The survey will be sent via email to be finalized. Hope to put survey out to membership sometime in the near future.

3. New Business:

a. Funding for School IPM programs

- Funding is limited
 - There are lots of regional voices in this arena and a question was asked about the number of NGO's active in this school IPM. Discussed varied groups/meetings like IPM institute and the IPM symposium.
 - b. Informational videos links for ASPCRO website
 - A discussion to add to an ASPCRO school IPM page links to videos (such as Pest Defense videos) to enhance usefulness of page to SLA looking for information. Consider adding a tile to marquee to draw/push attention to the page.
4. Open Discussion
- No further discussion.
