

2024 ASPCRO Inspector Training Nomination Form

Please submit the following information for your state, tribe or territory nominee. Current ASPCRO members can nominate a member of their inspection/enforcement personnel for the training. Training topics will focus on inspectors who have experience enforcing state, tribal or territory pesticide laws and regulations. There is no cost for the training, but the training will be limited to 30 participants. In addition, the participants will receive free registration to attend the Annual Conference general sessions during the 2024 ASPCRO conference. Nominees accepted for the training will be notified of their acceptance on or about June 28, 2024.
